עקב

(because)

Israel is admonished over and over again in this Parasha to hear and obey YHWH and His commandments. If Israel will hear and obey all that YHWH commands her, then all will go well with her. He will bless all that she does. He will bless her animals and all her children. All the diseases that YHWH put upon Egypt to get Pharaoh king of Egypt to let them go to worship and serve YHWH, He will put upon all their enemies. But they must keep and do all the commandments, ordinances and judgments in order for YHWH to show them His mercy and compassion.

However, if Israel chooses not to listen to and not to obey all of the commandments, ordinances and judgments of YHWH, and if Israel chooses not to obey the Voice of YHWH our Elohim, then He will come and put upon Israel all the curses and diseases and plagues which He poured out upon Egypt.

He will do this until the latter days at which time He will begin to show mercy unto their children and put within them a spirit to hear and obey His Voice. He will then bring them back into the land which He promised to Avraham, Yitzchak and Ya'aqov and do good to them and bless them and have mercy upon them.
