וזאת הברכה

V'zot Haberakah

(And this is the blessing)

Moshe blesses the tribes, each with its own blessing. He did this right before he died.

First Moshe blessed the whole nation of Israel. Then he blessed the individual tribes.

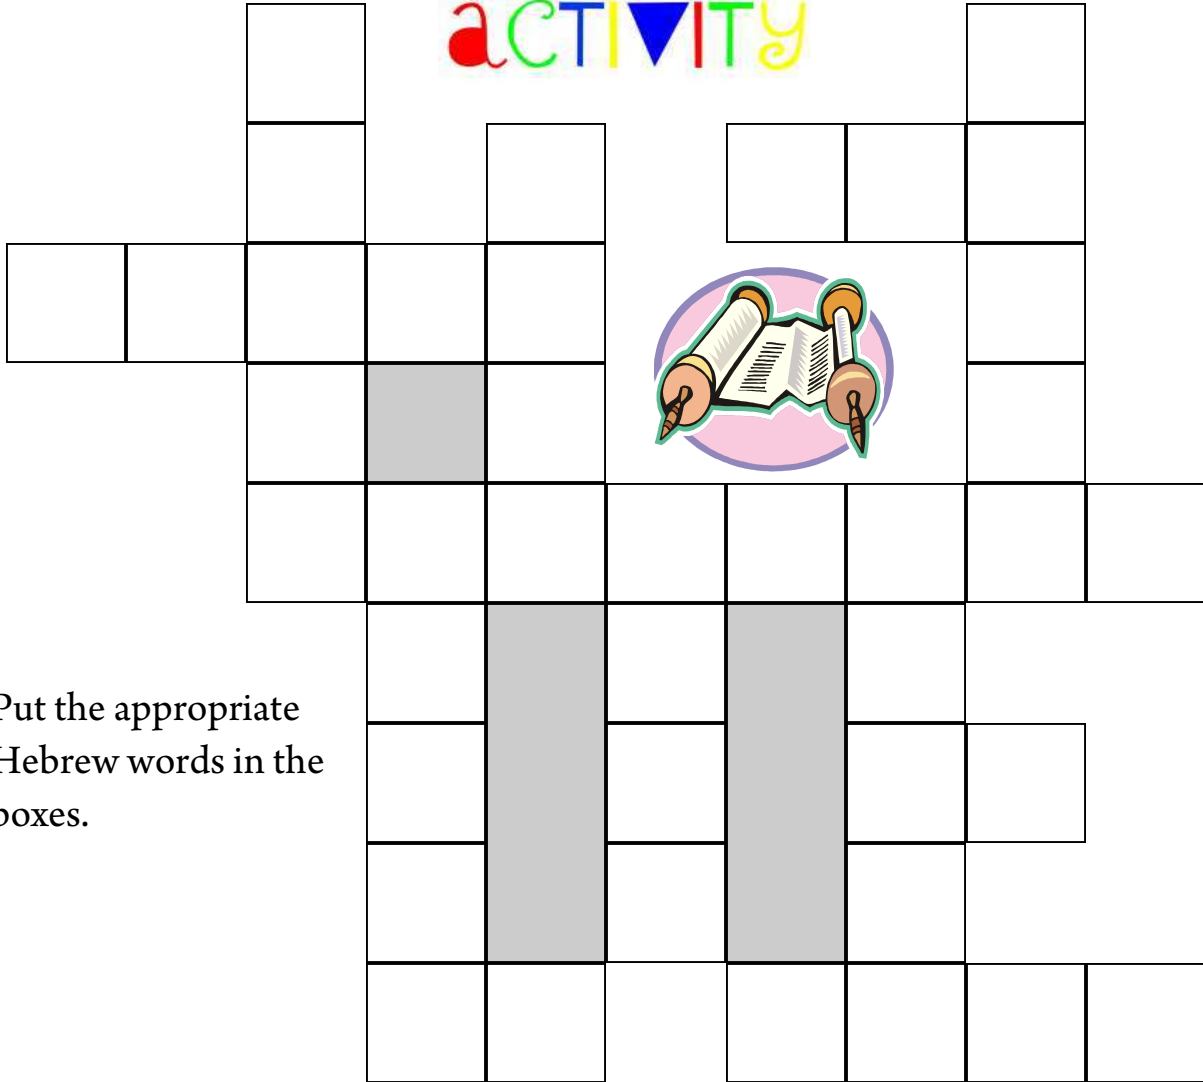

After Moshe blesses the tribes he then went up on Mount Nebo just as YHWH had commanded him to do. YHWH then showed Moshe all the land that He had given to Israel, even as far north as Dan and Naphtali and all the land of Ephrayim and Manasseh and of Judah all the way to the Mediterranean Sea, and the Negev or south land and the plains before Yericho all the way to Zoar. All this land YHWH showed to Moshe before Moshe died, but He did not cross over because YHWH would not allow him to cross the Yarden because of his sin against YHWH.

Then Moshe died and YHWH buried him in the valley in the land of Moav and no man knows where he is buried.

Then Israel wept and mourned for Moshe for thirty days.

And Yehoshua son of Nun was filled with the Spirit of wisdom for Moshe had laid his hands upon him.
