YHWH spoke to Moshe, saying, “Speak to the Children of Yisrael and let them take for me a portion, from every man whose heart motivates him you shall take my portion”. They were supposed to make an Ark of acacia wood, covered with pure gold with, staves to hold while carrying it. The lid was to have two Cheruvim, facing each other, with their wings upward, covering the cover with them. The tablets with the commandments were to go inside.

They shall make a sanctuary for me—so that I may dwell among them

Sh'mot 25:8

They were also to make a table for showbread and a beautiful menorah. It was supposed to be gold, with three branches on either side of the shamash (servant), in the middle.

He also told them to build a Mishkan (tabernacle). He told them how to build it and where to place the different things, including the altar that He had told them to build.

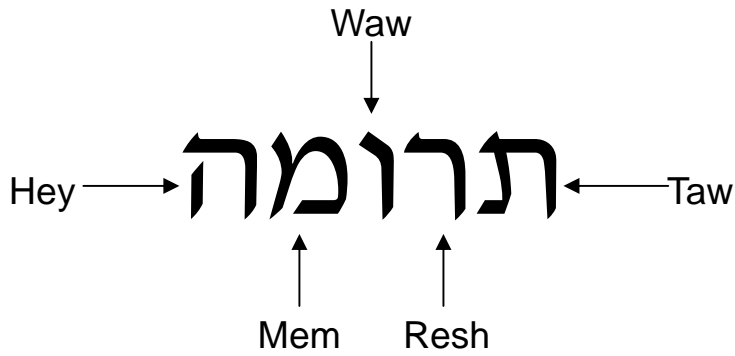

There was also a courtyard for the Mishkan. In it were pillars of copper and silver.
