(Standing)

YHWH sets before Israel all the blessings and the curses. He then tells Israel that when they have done all these things, and then YHWH takes them and removes them out of their land to other places, that if they then remember all the commandments of YHWH to do them, then YHWH will hear from heaven and gather them once again into the land and plant them there.

YHWH says that He will gather all those who hear and obey His Voice and do and keep all of His commandments. YHWH tells Israel that this is not too difficult for us. Keeping His commandments is not out of our reach. Keeping His commandments is not in heaven. We are not to say who will go up to heaven to get His commandments that we may do them.

Keeping His commandments is not across the sea. We are not to say, who will go over there and get the commandments that we may keep and obey them.

The commandments are in our mouths and in our hearts that we may keep and observe all the commandments of YHWH our Elohim that He should bless us.
