Qorach
(Korah)

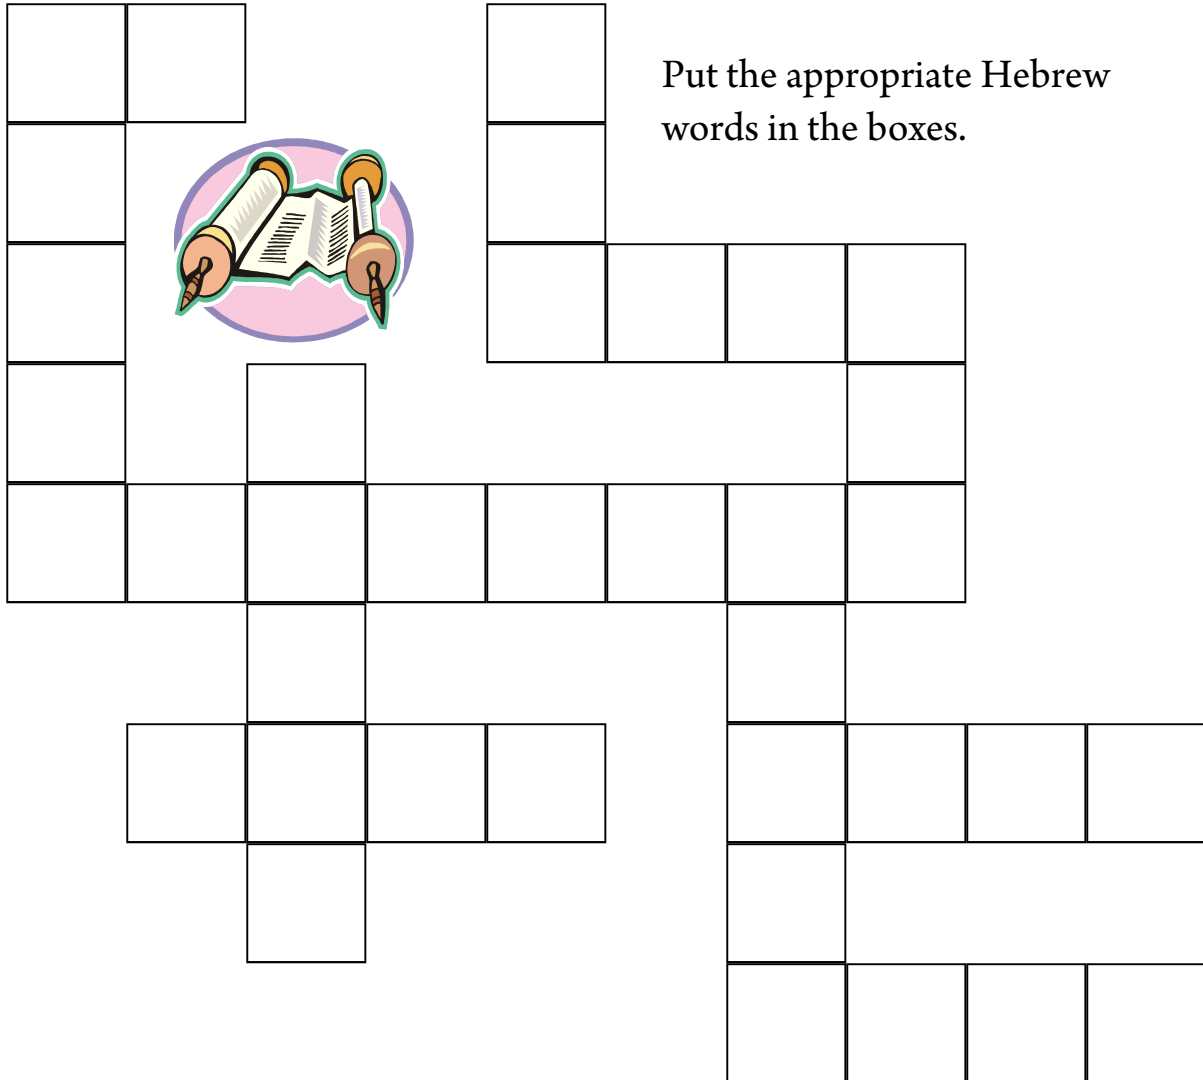

Qorach and some of the men who were his friends thought that they should have as much right to lead the people and to come near to YHWH as Moshe and Aharon did. So they led many people to rebel against YHWH.

YHWH had Moshe tell them to make censers for the burning of incense to see who would be accepted by YHWH and who would not be accepted.

YHWH told Moshe that He would do a new thing because those who had caused this rebellion, namely Qorach, Dathan and Aviram and everything that they owned including their wives and children would all be swallowed up by the earth.

Moshe told all the people to get back from the tents of Qorach, Dathan and Aviram. When the people all stood back at a distance then YHWH caused the earth to open up and Qorach, his wife, all their children and all that he owned; Dathan, his wife, all his children and all that he owned; Aviram, his wife, all his children and all that he owned; all these went down alive into Sheol. Then YHWH closed the earth over them and they all perished from the midst of the congregation of Israel.
